

Life Long Learning Centre

The Lifelong Learning Centre of TVZ consists of its core – NetAkademija <http://netakademija.tvz.hr>, but it also carries out different programs, such as delivering courses related to engineering, marketing and project management, as well as courses in Electrical and Civil engineering, awarded with ECTS points (approved by our National Agency).

The Lifelong Learning Centre of TVZ started as NetAkademija, which was founded in 2000 as one of the first Cisco Academies in Croatia. Developing systematically in the field of networking technologies, NetAkademija was declared as the best local Cisco Academy in the EMEA region in 2005 and is the only such Academy in the world to have won three out of four awards awarded by Cisco: Education Recognition, Extraordinary Contributions and Pioneer Recognition.

Eager to provide our students and engineers from industry with new knowledge and skills which will enable them to follow the latest trends and challenges in the world of technological advances, The Lifelong Learning Centre of TVZ has been offering education programs in other fields of expertise too. Today, Lifelong Learning Center offers programs in the field of software development and mobile technologies, multimedia, business applications, new engineering technologies etc.

As a longtime market leader, Center was the first to introduce new courses on the market, for eq. Android programming. Listening to the needs of our clients it also started the programs in the field of Internet marketing. Center's Java applications courses are very popular, as well as the Introduction to object-oriented programming, a unique program of that kind in Croatia.

Being fully aware of the fact that education is not enough to gain employment, within Center new center was founded -The Centre for career counselling through which students of TVZ can get help with pursuing their future career choice. Leader and founder of this career center also received recognition and award for his work by winning the Certificate of Excellence on 2014 Oxford Summit of Leader as the best supporter of student careers.

Emphasizing the importance of continuous investment in education, The Lifelong Learning Centre of TVZ strives to develop its resources through continuous investment in equipment, education of instructors and new certificates.
